HANDLELESS KITCHENS

2018

## Elswick & Mala Gloss

Solid timber shaker kitchen painted Graphite with Mala Gloss Graphite island and copper handleless profile rails. Shown with minerva® Desert Rock work surfaces and Solutions White Oak breakfast bar.

# Welcome

FORM by LochAnna introduces a range of true handleless kitchens in a mix of beautiful styles and finishes. From high gloss lacquered to solid timber painted doors, FORM includes designs to suit a wide range of tastes, so you can create your dream kitchen that's as individual as you are.

**WHY FORM** At LochAnna, we understand that the kitchen is the heart of your home and should be a space that the whole family can enjoy for years to come. We're passionate about kitchens and have created a collection that offers choice, style and quality. We have a nationwide network of retailers, where a design expert will guide you through the process of making your dream kitchen a reality.

CHOICE

# Your dream, your choice

Choosing the colours and finishes for your new kitchen can be daunting. Being brave with your colour combinations and mixing textures and materials can elevate your design to something truly unique. It's your kitchen, your choice, so don't be afraid to try something different – our showrooms have samples and swatches of our doors, worktops and even hinges that you can put together and see what works for you.

## Mixing materials

Mix woodgrains with different metal finishes for a bold look.

## Shades of blue

Combining blue and white will result in a clean, contrasting style.

## A splash of colour

Use colour as a focal point against shades of grey and soften with a warm woodgrain.

## Warm and welcoming

Rich and warm colours are offset with a marble style worktop finish.

An interesting contrast is achieved with the industrial style of the breakfast bar support and the rich, warm woodgrain of the Solutions Tobacco Oak used for the dining table

# MALA

## COLLECTION

Manufactured and painted in Italy, Mala brings together a mix of gloss and matt finishes in a series of contemporary tones. Using the finest paints and lacquers, Mala doors are designed to stand the test of time and look beautiful in your kitchen for years to come. Create a truly exclusive design by combining Mala with another of our collections. For the contemporary look, our Strato woodgrain door provides a tactile contrast, whilst our Elswick shaker door helps achieve a stunning fusion of traditional and modern styles.

# EASINGTON

## COLLECTION

A painted shaker with a beautiful and unique chamfer detail on the reverse, Easington is an Italian door that embodies the creative spirit of Form. Easington is soft and silky to the touch, yet durable and hardy enough to stand up to everyday life.

With Easington you can express your creativity by pairing it with a complementary or even contrasting door style - we've chosen Strato to create an interesting blend. Your dream kitchen is limited only by your imagination.

# ELSWICK

## COLLECTION

A solid timber narrow framed shaker door with a veneered centre panel, Elswick brings a richness to the kitchen. Available in 27 stunning finishes, from cool greys to daring blues and purples.

The uncomplicated style of the Elswick door positions it perfectly to sit alongside one of our more contemporary collections. We love it paired with our Mala door to bring texture and depth to the kitchen.

## Elswick Damson

The daring choice of Damson on the peninsular island brings richness to this kitchen, contrasting with Mala Matt Platinum Grey on the main kitchen and anodised aluminium handleless profile rails. We've chosen minerva® Nimbus Grey work surfaces with upstands and accessorised with our Box Shelving, smoked glass doors and Linear Shelf Supports with shelves to match the Mala doors.

# STRATO

## COLLECTION

Our Strato collection elevates a flat slab door to something a bit special. With an oak veneer featuring a beautiful horizontal grain structure, Strato is available in 27 painted finishes or 8 natural stains.

Strato is made for the adventurous amongst us – mix the natural woodgrains with painted finishes, or even pair it with our Mala gloss doors to create a stunning contrast.

### colours available

Note: Strato is manufactured with an oak veneer. Veneers are randomly selected and as a consequence, each door will be different in grain structure and can have variation in colour.

## Strato Meadow

Our Strato door painted in Meadow on the island is a beautiful contrast to the Easington Stone doors on the units behind and gives an interesting mix of styles and textures to this kitchen. The gin bar and smoked glass doors are an indulgent modern touch.

## Accessories

LochAnna FORM strives to offer customers something different.

European trends are showing us that modern sleek kitchens benefit from the introduction of carefully designed accessories. Wall rails, shelf supports and open shelving will all add to your design.

## Features

1. **Handleless Rail Profiles:** Our handleless rail profiles are available in four colours to complement or contrast with your door choice
2. **Linear Shelf Supports:** A simple but effective cantilever shelf support. Available 600mm and 800mm widths – simply use a drawer front or a kitchen panel to make the shelf you require. Available in Aluminium or Black
3. **Industrial Breakfast Bar Support:** Available in two heights, 870mm for breakfast bars and 720mm for dining height, this robust and stylish leg will offer a lasting design feature for a dining kitchen. Both are 700mm wide, fabricated from 25mm x 75mm box steel
4. **Box Shelves:** Available in 600mm & 900mm widths and can be joined to create interesting designs and storage solutions – use panels in matching or contrasting door colours to create the shelf bases. At 330mm deep and 360mm high, these box shelves are the perfect size to sit underneath a 360mm high bridging unit. Available in Black
5. **Accessory Hanging Rail Kit:** Accessorise the walls under your units, make use of the space and ensure those well used kitchen tools are to hand. Available in 600mm and 900mm widths. Available in Stainless Steel
6. **Excel Plus Pan Drawers with solid graphite sides:** Available as an upgrade and the ideal complement for our titanium hinges
7. **Excel Plus Internal Glass Drawers:** Available in seven widths, from 300mm - 1000mm, these glass drawers can be fitted in base units or larders to keep your cupboards organised
8. **Titanium Inline Hinge:** Our inline hinge is designed to look neat and complement the linear styling of Form. Soft close and with LochAnna branding, these are included as standard on units
9. **Salice Wind Lift System:** Available as an upgrade for our bridging units, the Wind Lift System is soft close and features a satin metal black cover to complement our titanium hinges

# Storage Solutions

# Solutions

## Finished Kitchen Surfaces & Panels

A range of worktops and accessory panels in three realistic woodgrains & one concrete effect. Offering you a natural contrast to modern door finishes, whether your kitchen choice is matt, gloss, cream, mussel, white or any of the shades of grey, you can include Solutions. Create open shelves and bespoke units that are seen in the most contemporary rooms to produce that finishing touch.

### Shelving

Use Solutions panels to create practical but fashionable shelving to complement your kitchen. Shelving can be the answer to an unusual sized space or a challenging ceiling pitch

### Worktops

Matching the other panels in the Solutions collection, the worktops and breakfast bars have a realistic grain and texture, providing that solid timber or concrete effect without the worry of upkeep

### Splashbacks & Upstands

An effective and modern alternative to tiles. Simple to install and you'll enjoy the benefit of Solutions for years to come

### Finishes available

Solutions Natural Oak

Solutions Tobacco Oak

Solutions White Oak

Solutions Concrete

### Open Shelving

A stunning open display adds a richness to a modern Dove Grey kitchen

Imperceptible, seamless, solid joints. Thanks to the solid acrylic core there are no concerns with water ingress. **minerva**® is designed to deliver the best possible aesthetic results

**Breakfast bars, splashbacks and upstands:**  
Just some of the added attractions of choosing **minerva**®

**Factory finished edges ready for fitting**

All **minerva**® worksurfaces are supplied ready for installation with smooth factory finishing on exposed edges

**Pre-fabricated sink solutions**

Undermounted sink modules with factory applied drainer grooves saves time when it comes to preparation and installation

# minerva® solid acrylic worksurfaces

Welcome to **minerva**®: a practical and solid kitchen worksurface material manufactured using state-of-the-art technology. Delivering a luxurious appearance, cool pleasing touch and robust performance from its solid 25mm thick material, **minerva**® has the advantage of being the same colour throughout. Such is the enduring quality of **minerva**® that we guarantee its quality against manufacturing defects for ten years. There are 15 superb colours to choose from with a number of light options to suit darker kitchen door finishes.

**minerva**® Sparkling White

**minerva**® White

**minerva**® Carrara White  
(Veined décor)\*

**minerva**® Ice Crystal

**minerva**® Grey Crystal

**minerva**® Ice Blue

**minerva**® Copper Fleck

**minerva**® Caramel Crunch

**minerva**® Fossil

**minerva**® Desert Rock  
(Veined décor)\*

**minerva**® Amazonia Brown

**minerva**® Cocoa Brown

**minerva**® Peak Stone

**minerva**® Nimbus Grey

**minerva**® Black Granite

\*Each of these worksurfaces are unique, reflecting the natural appeal of marble and stone.

Whilst **minerva**® sink modules are made from a solid piece of material, the recessed sections may have a slightly different pattern on some décors due to the spread of the coloured chips.

## Routine cleaning

**minerva**® does not require any specialist cleaning, simply wipe off with a damp cloth and soapy water. The worksurface should then be rinsed with clean water and wiped dry. Persistent marks can be removed by using a mild abrasive cleaner, but harsh scouring powders should be avoided. Unlike marble and granite, **minerva**® is non porous, hygienic and will resist most household chemicals including alcohol.

## Heat

**minerva**® will withstand heat better than many alternative surface materials with boiling water and cooking splashes not being an issue. However, all hot pots, pans and other heat generating devices should always be placed on a trivet or worktop protector rods.

## Minor scratching

Kitchen utensils and unglazed crockery can sometimes cause scratches that will be more evident on darker colours. Use of a cutting board is essential though minor scratches can easily be removed using the abrasive pad and other items from the care kit.

# Lighting

One of the first things you'll need to consider when planning your new kitchen is the lighting, as wiring needs to be installed at the start of the project, before plastering, decorating and the fitting itself. It's an integral part of any scheme and this is your perfect opportunity to create the right ambience. Most lights are dimmable and available in either natural or warm white to suit the kitchen style and tone. Your designer will guide you on the extensive range available.

## LED Lighting Tape

Our tape lighting and profiles create a contemporary long ribbon of lighting under and over cabinets

## LED Drawer Light

The ideal solution to illuminate pan drawers, our drawer light works on a sensor when the drawer is opened and is angled to optimise the illumination of the inside of the drawer

## LED Under Cabinet Light

Our under cabinet lights are ideal for creating task lighting for everyday jobs such as food preparation. Available in natural or warm white, our cabinet lights are all dimmable and can be controlled with sensors

## LED Plinth Lights

Plinth lights can be used to make a feature of your lighting. Leave plinth lights on when task lighting is switched off to create a relaxing ambience in the kitchen

# Appliances, Sinks & Taps

We can satisfy all your appliance, sink & tap needs with a choice of Matrix, CDA, Belling and Carron Phoenix brands. CDA are synonymous with design and cutting edge technology, offering a 5 year parts and 2 year labour guarantee. Belling have been bringing clever ideas and quality appliances for over a century and this British brand remains one of the most trusted and well known manufacturers. Carron Phoenix combine innovative design with ultimate functionality, their sink and tap collections bring together a choice of designs and materials to suit the diversity of today's kitchen styling.

## Cooking

All your needs are more than covered, from ovens in single, double and range cooking plus a series of hob options in electric and gas, and not forgetting the extractor which is offered in many great styles

## Cooling

Refrigeration is offered in fully integrated models in all the built in sizes to suit our kitchens. High efficiency energy class is also a feature to keep the energy bills to a minimum. Wine coolers in several sizes are also available to create a smart focal point

## Dishwashing

Once seen as a luxury but now a fundamental part of any kitchen. There are a number of size options and specifications available, with slim-line or full width models and all A rated for energy consumption

## Laundry

Washing and drying with a multitude of programmes is important in today's busy kitchen with fully concealed laundry products available from both brands

## Sinks - Granite | Stainless Steel | Ceramic

From traditional charm to cutting edge minimalism, our collection encompasses the very best modern design and materials to help you create a kitchen bursting with beautiful products and superb features

## Taps

Ultra modern pullout spray taps, traditional swan neck or single lever - the choice is yours with chrome, steel and even black alternatives available

# Door Selector

The door choice in LochAnna FORM has been carefully selected from the very best Italian and British manufacturers. We have chosen only the finest painted smooth gloss and matt finishes, complemented by a broad colour choice of solid timbers and veneered woodgrains. Consider your handleless rail colour and open shelving – mixing colour, texture and style will create a truly individual kitchen. Your designer will be happy to guide you through the process.

## Mala

Manufactured and painted in Italy – in a mix of gloss and matt finishes.

## Easington

Manufactured in Italy, a smooth shaker with a beautiful chamfer detail on the reverse.

Note: Colours are as accurate as the printing process allows, we recommend that you examine a physical swatch or sample before making your final choice. These can be requested via your retailer.

**Elswick**

A rich solid timber narrow framed shaker door, with a veneered centre panel.

**Available in 27 stunning painted finishes.**

Note: As timber doors are made from a natural living material, some grain variation can be expected within products. This is normal and is considered to add an authentic look and feel to the products.

**Strato**

A classic Italian veneered flat door - will work well alongside Mala.

**Available in 27 painted finishes or 8 natural stains.\***

Note: Strato is manufactured with an oak veneer. Veneers are randomly selected and as a consequence, each door will be different in grain structure and can have variation in colour when stained. There is a horizontal grain on the doors.

# The Cabinet

In beautiful grey linen, LochAnna FORM cabinets are manufactured to the highest standards, and include many exclusive and valuable features.

BY LOCHANNA

## PROUD TO BE BUILT IN GREAT BRITAIN

Here at LochAnna we go above and beyond to make sure that all of our kitchen ranges are innovative, flexible in design and provide choice for every customer taste, style and trend. Having over 300 years worth of industry experience between us at LochAnna helps.

We know that a kitchen not only has to look great, it also has to work well and stand the test of time. We believe that we have covered everything - choice, flexibility and quality guarantees on every range. Our products, developed by us and our partners are amongst the best in the world with awards for production and quality.

### Mala Gloss Porcelain & Strato stained in Buff

This kitchen is all about contrasting textures, materials and colours. The wood veneer of the Strato door brings a natural balance to the smooth porcelain gloss Mala doors, which are in turn offset perfectly by the anthracite colour of the handleless profile rails. The contemporary Box Shelving is shown with Solutions Tobacco Oak insets, complemented by the matching breakfast bar, whilst the industrial style of the support leg balances out the richness of the woodgrain.
